Mileage Club

Way to go Team RWE!!!! We have completed our session of the Mileage Club with great results. Our students accumulated 1,289 miles!! The display wall looked fantastic with all of the feet on it, indicating students who achieved at least five miles. Four students were able to achieve the distance of a Half Marathon (13.1 miles)!!

A big thank you to the parents who came and joined their child on the Mileage Club days.

Congratulations kids!!

RWE Cloggers

This year we have 3 groups of cloggers; Tuesday morning is the beginning group, Tuesday afternoon is the advanced group and Wednesday morning is our intermediate group. There are a total of 32 kids and 6 adults involved in clogging this year.

We have clogged at the pioneer home birthday party, the National Christmas Tree celebration and will clog again at the Pioneer Home on December 7th, 2010. All cloggers are invited to attend!

We have been working hard on Christmas dances for the December 16th Christmas Program.

After the Christmas break we will be opening clogging registration to the 1st grade. Please contact Joan Stetler at 864-6651 or jstetler@hotsprings1.org if your child is interested. There is no need for the present cloggers to register again.

These are examples of our hidden Turkeys!

This idea came from Ms. Koerwitz's Kindergarten class, if the turkey hid well enough, he wouldn't wind up as dinner!

Good Job Everyone!!
